## CSCMP to Launch its Roundtable in Mexico City

Lombard, IL December 4, 2024

### CSCMP to Launch its Roundtable in Mexico City

As part of the expansion of the Council of Supply Chain Management Professionals (CSCMP) operations in Mexico, the official launch of the Mexico City Roundtable will take place on January 23, 2025.

- This major event will feature the participation of:
  - Mark Baxa, President and CEO of CSCMP Global.
  - Javier Zarazua Ruiz, Country Manager of CSCMP for Mexico.
  - Jonathan Albanil, President of the Mexico City Roundtable.
- Additionally, the Annual State of the Global Semiconductor Supply Chain™ Report by CSCMP will be presented by Dale Rogers, ON Semiconductor Professor of Business, Department of Supply Chain Management at the University of Arizona, honored member of the CSCMP Hall of Fame & recipient of the CSCMP Distinguished Services Award (DSA), long-standing member, and global expert on the subject. This report will be accompanied by a panel of semiconductor experts from both countries, including:
  - Eugenio Marín, Executive President of FUMEC.
  - Carlos Rebollón, Director of Industrial Relations at Intel.
- Following the panel, attendees will have the opportunity to participate in a networking session to exchange experiences and establish key industry connections.
- This event is organized in collaboration with Tec Monterrey, Conalog and The Logistics World as part of the partnership agreement between these prominent institutions.

### Event Details

- Date: January 23, 2025
- Location: Mexico City

The Council of Supply Chain Management Professionals reaffirms its commitment to promoting excellence in supply chain management by offering new opportunities for connection and collaboration for logistics professionals in Mexico and Latin America.

### About CSCMP

The Council of Supply Chain Management Professionals (CSCMP) is a globally recognized organization that leads the supply chain profession by connecting, educating and developing the world's supply chain professionals throughout their careers. CSCMP provides unique opportunities for industry professionals to connect and collaborate on a global scale, fostering innovation and excellence in supply chain management and contributing to the growth and sustainability of the sector.
